Comply with all statutory regulations. Assume an advocacy role for patients. Must be able to operate a motor vehicle during daytime and nighttime driving, and also a valid Florida driver's license.

QUALIFICATIONS: Requires a BA/BS degree from an accredited college or university with a major in counseling, social work, psychology, criminal justice or related human services degree and have at least (1) one year of full time experience working with children with serious emotional disturbances **OR** have a Bachelor's degree from an accredited university or college and three years fulltime experience working with children with emotional disturbances. Must be proficient in Windows operating systems. Must possess a valid Florida driver's license, current auto insurance, a reliable vehicle and a good driving record. Computer skills in windows operating system required.

CHILDREN'S COMMUNITY ACTION TEAM

***CLINICAL MANAGER (1-FT)**

Supervisor: Jessica Plazewski

DUTIES: *Annual Salary has been increased! Also, this position includes differential pay over and above the recently increased salary.* This position oversees and coordinates the administrative and clinical aspects of the Children's Community Action Team. A highly unique position overseeing a dynamic and multi-faceted team of case managers, clinicians, mentors, and nurse who work with high risk children in the community. Maintains and develops positive working relationships with stakeholders in the community. Provide leadership and guidance to the team in order to improve level of functioning and appropriate levels of care for patients.

QUALIFICATIONS: Requires a Master's degree in Behavioral Health Sciences, such as psychology, mental health counseling, social work, art therapy or marriage and family therapy. Must have an active license issued by the Florida Board of Clinical Social Work, Marriage & Family Therapy or Mental Health Counseling. Requires a minimum of (3) three years of experience working with children or adolescents with behavioral health needs **and** a minimum of (1) one year supervisory experience. Requires a valid driver's license, current auto insurance, a good driving record and a reliable vehicle. Requires ability to attain competency with the company electronic medical records and use it effectively within the required time frames. (1/24)

***THERAPEUTIC MENTOR (Accepting applications, but no current openings)**

Supervisor: Laura Guarino

DUTIES: **"This position includes a generous differential pay rate that it is over and above the regular rate of pay!"** This Therapeutic Mentor position works with children and adolescent with mental health diagnosis and / or co-occurring disorders. The Community Action Team is a group of dynamic individuals that offer comprehensive wrap around services including nursing, case management, therapy and therapeutic mentoring. Individuals serving in this position function by assisting in maintaining and increasing independence through Psychological Rehabilitation. This service is intended to restore the individual's skill and abilities essential for independent living. This would include but is not limited to training, education, mentoring and support, based on individualized assessment of the skill deficit. Additionally, this position works closely with the clinician to assist the patient in reaching their therapeutic goals. If you have a passion for working with this population and want to assist with high risk individuals in being diverted from out of home placement, then this position may be right for you!

QUALIFICATIONS: Requires a HS Diploma or equivalent with a Recovery Peer Specialist certification by Florida Certification Board **OR** a Bachelor's of Arts degree in a human services major, such as psychology, social work, education or vocation rehabilitation from an accredited college or university. Must be proficient in Windows based computer operating system. Requires ability to attain competency with the company electronic medical records and use it effectively within the required time frames. Requires a valid driver's license, current auto insurance, a reliable vehicle and a good driving history. (4/16)
