ADMINISTRATION

***CHIEF ADMINISTRATIVE OFFICER (1-FY)**

Supervisor: Stacey Cook-Hawk

DUTIES: This leadership position has been developed in response to the agency's tremendous growth and diversity and its desire to ensure continued innovation, strength, and quality into the future. The Chief Administrative Officer is responsible for the overall leadership and strategic direction of several administrative functions in support of a multi-faceted service delivery system. Areas of responsibility include Facilities, Food Services, Contract Management and Quality Management. This position works closely with the operations leadership team and executive leadership team. The incumbent will build a bridge between clinical and administrative services through the development of infrastructure, systems and processes that facilitate clear and open communication and business flow.

QUALIFICATIONS: Requires a Graduate degree in health care, business, public administration or related field. Requires ten (10) years of senior management experience in the health care field. Past experience must include regulatory compliance and overseeing the daily operations of a fast-paced clinical/medical operation. Must be competent in the use of Microsoft Office (Word, PowerPoint, and Excel) and must possess the ability to attain and maintain competency with company specific software. Must demonstrate excellent oral and written communication skills; contractual fluency; excellent understanding of business complexities; the ability to work in a fast paced, demanding, deadline-driven environment and the ability to manage multiple projects at one time. Must be self-motivated and able to work autonomously. (5/28)

ADULT COMMUNITY SERVICES

***REFERRAL COORDINATOR (1-FT)**

Supervisor: Dushun Beckford- Torres

DUTIES: The Referral Coordinator will be responsible for completing phone screenings for internal and external referrals daily, will also screen patients face to face in acute care and outpatient settings, including crisis unit detox facility. The Referral Coordinator will ensure that referral forms are completed and distributed for assignment and that all referral screenings and services provided are documented in the electronic health records systems timely. Must be willing to follow through consistent exercise of discretion and judgment within the context of Adult Case Management policies and procedures, related training and supervision.

QUALIFICATIONS: Requires a Bachelor's degree from an accredited university or college with a major in counseling, social work, psychology, criminal justice, nursing, rehabilitation, special education, health education, or a related human services field (a related human services field is one in which major course work includes the study of human behavior and development) and (1) One year of full time or equivalent experience working with adults experiencing serious mental illness. Computer skills in windows operating system required. Training Requirements: Completed or agrees to complete AHCA-approved mental health targeted case management training within three months of initially providing Medicaid services. Must be certified within 6 months with Florida Certification Board Targeted Case Manager Certification. Must possess a valid Florida driver's license, current auto insurance, a reliable vehicle and a good driving record. Requires ability to attain competency with the company electronic medical records and use it effectively within the required time frames. (7/16)

CHILDREN'S CASE MANAGEMENT

***CHILDRENS CASE MANAGER (Accepting applications, but no current openings)**

Supervisor: Salvatore Romano

DUTIES: Coordinate community based mental health services. Maintain an average caseload of 20 patients. Must be able to perform duties in a variety of locations and settings. Comply with all statutory regulations. Assume an advocacy role for patients. Must be able to operate a motor vehicle during daytime and nighttime driving, and also a valid Florida driver's license.

QUALIFICATIONS: Requires a BA/BS degree from an accredited college or university with a major in counseling, social work, psychology, criminal justice or related human services degree and have at least (1) one year of full time experience working with children with serious emotional disturbances **OR** have a Bachelor's degree from an accredited university or college and three years fulltime experience working with children with emotional disturbances. Must be proficient in Windows operating systems. Must possess a valid Florida driver's license, current auto insurance, a reliable vehicle and a good driving record. Computer skills in windows operating system required.

CHILDREN'S COMMUNITY ACTION TEAM

***CLINICAL MANAGER (1-FT)**

Supervisor: Jessica Plazewski

DUTIES: *Annual Salary has been increased! Also, this position includes differential pay over and above the recently increased salary.* This position oversees and coordinates the administrative and clinical aspects of the Children's Community Action Team. A highly unique position overseeing a dynamic and multi-faceted team of case managers, clinicians, mentors, and nurse who work with high risk children in the community. Maintains and develops positive working relationships with stakeholders in the community. Provide leadership and guidance to the team in order to improve level of functioning and appropriate levels of care for patients.

QUALIFICATIONS: Requires a Master's degree in Behavioral Health Sciences, such as psychology, mental health counseling, social work, art therapy or marriage and family therapy. Must have an active license issued by the Florida Board of Clinical Social Work, Marriage & Family Therapy or Mental Health Counseling. Requires a minimum of (3) three years of experience working with children or adolescents with behavioral health needs **and** a minimum of (1) one year supervisory experience. Requires a valid driver's license, current auto insurance, a good driving record and a reliable vehicle. Requires ability to attain competency with the company electronic medical records and use it effectively within the required time frames. (1/24)

CHILDREN'S COMMUNITY ACTION TEAM (contd.)

***THERAPEUTIC MENTOR (Accepting applications, but no current openings)**

Supervisor: Laura Guarino

DUTIES: "This position includes a generous differential pay rate that it is over and above the regular rate of pay!" This Therapeutic Mentor position works with children and adolescent with mental health diagnosis and / or co-occurring disorders. The Community Action Team is a group of dynamic individuals that offer comprehensive wrap around services including nursing, case management, therapy and therapeutic mentoring. Individuals serving in this position function by assisting in maintaining and increasing independence through Psychological Rehabilitation. This service is intended to restore the individual's skill and abilities essential for independent living. This would include but is not limited to training, education, mentoring and support, based on individualized assessment of the skill deficit. Additionally, this position works closely with the clinician to assist the patient in reaching their therapeutic goals. If you have a passion for working with this population and want to assist with high risk individuals in being diverted from out of home placement, then this position may be right for you!

QUALIFICATIONS: Requires a HS Diploma or equivalent with a Recovery Peer Specialist certification by Florida Certification Board **OR** a Bachelor's of Arts degree in a human services major, such as psychology, social work, education or vocation rehabilitation from an accredited college or university. Must be proficient in Windows based computer operating system. Requires ability to attain competency with the company electronic medical records and use it effectively within the required time frames. Requires a valid driver's license, current auto insurance, a reliable vehicle and a good driving history. (4/16)

FACILITIES

***FACILITIES TECHNICIAN IV (2-FT)**

Supervisor: Brian Uber

DUTIES: Light carpentry, electrical, plumbing, patch and paint. General building maintenance.

QUALIFICATIONS: Requires High School Diploma or equivalent. (1) One year related experience required. Requires a valid driver's license, current auto insurance, a good driving record and a reliable vehicle. (7/9)(7/16)

HEALTH INFORMATION MANAGEMENT

***HEALTH INFORMATION MANAGEMENT SUPPORT SPECIALIST II (2-FT)**

Supervisor: Nanette Nabors

DUTIES: Scan information into electronic records; process release of information request; process records for destruction.

QUALIFICATIONS: Requires a HS Diploma or equivalent and 6 months of related experience. Requires ability to attain competency with the company electronic medical records and use it effectively within the required time frames. (5/28)(6/11)

OUTPATIENT PSYCHIATRY

***ADVANCED REGISTERED NURSE PRACTITIONER (1-FT)**

Supervisor: Dr. Adrienne Eisner

DUTIES: ARNPs work directly with Physician Supervision providing outpatient mental health services to persons in Outpatient Psychiatry, conducting psychiatric assessments, medication management, and psycho-educational re: medication and referrals to appropriate services within SalusCare.
