CHILDREN'S ACTION TEAM

***THERAPEUTIC MENTOR (Accepting applications, but no current openings)**

Supervisor: Laura Guarino

DUTIES: *"This position includes a generous differential pay rate that it is over and above the regular rate of pay!"* This Therapeutic Mentor position works with children and adolescent with mental health diagnosis and / or co-occurring disorders. The Community Action Team is a group of dynamic individuals that offer comprehensive wrap around services including nursing, case management, therapy and therapeutic mentoring. Individuals serving in this position function by assisting in maintaining and increasing independence through Psychological Rehabilitation. This service is intended to restore the individual's skill and abilities essential for independent living. This would include but is not limited to training, education, mentoring and support, based on individualized assessment of the skill deficit. Additionally, this position works closely with the clinician to assist the patient in reaching their therapeutic goals. If you have a passion for working with this population and want to assist with high risk individuals in being diverted from out of home placement, then this position may be right for you!

QUALIFICATIONS: Requires a HS Diploma or equivalent with a Recovery Peer Specialist certification by Florida Certification Board **OR** a Bachelor's of Arts degree in a human services major, such as psychology, social work, education or vocation rehabilitation from an accredited college or university. Must be proficient in Windows based computer operating system. Requires ability to attain competency with the company electronic medical records and use it effectively within the required time frames. Requires a valid Florida driver's license, current auto insurance, a reliable vehicle and a good driving history.

CHILDREN'S CASE MANAGEMENT

***CHILDRENS CASE MANAGER** (*Accepting applications, but no current openings*)

Supervisor: Salvatore Romano

DUTIES: Provides Case Management services to children and youth in need of coordinated community based mental health services in order to avert more restrictive out of home residential placement. Maintain a maximum caseload of 20 patients. Assume an advocacy role for patients to assure access to services documented in the service plan and monitor that these services are provided in a timely and appropriate manner. Monitor progress or lack of progress toward goals and make changes as necessary. This includes arranging case staffing as necessary.

QUALIFICATIONS: Requires Bachelor's degree from an accredited university or college with a major in counseling, social work, psychology, criminal justice, nursing, rehabilitation, special education, health education, or a related human services field (a related human services field is one in which major course work includes the study of human behavior and development) and one (1) year of full time or equivalent experience working with children with serious emotional disturbances. **Training Requirements:** Possesses knowledge of available resources in the service area for children with serious emotional disturbances and comply with state and federal statutes, rules and policies that affect the target population. Completed or agrees to complete AHCA-approved mental health targeted case management training within three months of initially providing Medicaid services. Within 6 months must obtain Certified Behavioral Health Case Manager Certification from Florida Certification Board. Requires a valid Florida driver's license, current auto insurance, a reliable vehicle and a good driving history.

DIVERSION

***FORENSIC CASE MANAGER (1-FT)**

Supervisor: Jamie Cojocari

DUTIES: This is a highly diverse position that works with individuals who are at risk or determined incompetent to proceed and/or not guilty by reason of insanity, as well as consumers who need case management services. This position allows for the flexibility to work with the aforementioned forensic population in Lee County by advocating for appropriate diversions within the court system, monitoring compliance, and assistance to expedite resolution of legal charges. This position also provides case management services to those in Lee County by linking them to community resources to become more independent and reduce recidivism. If your passion is to divert individuals from the criminal justice system, where appropriate, and assist patients to getting appropriate treatment and care, this position is for you!

QUALIFICATIONS: Requires a BA/BS degree from an accredited college or university with a major in counseling, social work, psychology, criminal justice, nursing, rehabilitation, special education, health education or related human services field. (a related human services field is one in which major course work includes the study of human behavior and development) **and** one (1) year fulltime experience working with adults experiencing serious mental illness. Requires a valid driver's license, current auto insurance, a reliable vehicle and a good driving record.

Training Requirements: Completed or agrees to complete AHCA-approved mental health targeted case management training within three months of initially providing Medicaid services. Within 6 months must obtain Certified Behavioral Health Case Manager Certification from Florida Certification Board. ^(6/3)

FACILITIES

***FACILITIES TECHNICIAN IV (1-FT)**

Supervisor: Brian Uber

DUTIES: Light carpentry, electrical, plumbing, patch and paint. General building maintenance.

QUALIFICATIONS: Requires High School Diploma or equivalent. One (1) year related experience required. Requires a valid Florida driver's license, current auto insurance, a good driving record and a reliable vehicle.

INTEGRATED TREATMENT TEAM

***COMMUNITY SUPPORT SPECIALIST (1-FT)**

Supervisor: Jennifer Staple

DUTIES: This is a wonderful opportunity to help clients with addictive and mental health issues establish, design and navigate their recovery journey. If you are passionate and committed to changing lives and instilling hope, success and drive into so many who have lost hope – this position is waiting for you. Operate as part of a multidisciplinary treatment team that includes a Case Manager, Clinician and LPN to provide support to individual's with a mental health, substance abuse and/or co-occurring diagnosis in their natural environment. Assist the people served in this program via training, education, mentoring and support that are based on their individualized needs. Regular activities may include the development and maintenance of necessary daily living skills, food planning and preparation, money management, maintenance of the living environment, training in appropriate use of community services and resources, as well as the facilitation of cognitive and socialization skills for effective life management. *This position offers a competitive salary.*

QUALIFICATIONS: Requires a Bachelor's degree in the human service field from an accredited college or university. Requires a valid Florida driver's license, current auto insurance, a reliable vehicle and a good driving history. Computer skills in Windows operating system required. (2/18)

OUTPATIENT PSYCHIATRY

***LICENSED PRACTICAL NURSE (1-FT, 1-PRN)**

Supervisor: Debra Dilling

DUTIES: Will perform client vitals, create / update treatment plans, provide client education, medication and respond to questions, obtain prior authorizations, call prescriptions into pharmacy under doctor instruction, administer injections, schedule appointments and enter data into the medical record.

QUALIFICATIONS: Requires an LPN certification and a clear / active nursing license. Experience in the mental health and substance abuse is a plus. Basic computer and typing skills required. Ideal candidate will have excellent customer service, a great attitude, and desire to help people. Bilingual (English / Spanish) preferred.(5/20)

***OUTPATIENT PRACTICE MANAGER**

Supervisor: Keri Riedel

DUTIES: The Outpatient Practice Manager position in an exciting career opportunity to work with a creative, dynamic and exceptional team of nurses, office managers and support staff at 3 locations. If you are innovative, tenacious and passionate about systems of patient care; if you enjoy helping to facilitate change and increase levels of satisfaction; if you enjoy hard work in a fast-paced, fun, supportive, and performance-focused environment – this is an ideal position for you. SalusCare is a well-established, well-regarded, behavioral healthcare agency with an expansive service mix, rooted in the fiber of the Fort Myers, Lee County community. SalusCare is committed to obtaining and retaining the most talented professionals and so offers a robust benefits package including fully paid or inexpensive health insurance benefits, 403B retirement savings plans with matching and an astonishing amount of paid time off. The most efficacious candidate will also possess excellent customer service skills, an upbeat positive attitude, and communication and organizational skills to lead this successful team.
